

Superannuation funds

Where Australia's \$4.3 trillion of super is held, by fund type — as at 30 June 2025.

 APRA-regulated funds	\$3.0tn · 70.3%
 Self-managed super funds (SMSFs)	\$1.1tn · 24.3%
 Exempt public sector schemes	\$178bn · 4.1%
 Life office statutory funds	\$60bn · 1.4%

Most super sits in large APRA-regulated funds, but SMSFs hold nearly a quarter of the system — about \$1.1 trillion across 653,000 funds.
